

## 2023-2024 UNUSUAL ENROLLMENT HISTORY FORM

Your 2023-2024 FAFSA (Free Application for Federal Student Aid) was selected for review due to your unusual enrollment history in college. Federal regulations require that we must ask you for additional information before determining your eligibility for federal student aid. This form is used to analyze your receipt of Pell Grant and student loans over the **past four years**.

### STEP 1 – STUDENT INFORMATION

Last Name	First Name	MI	Student Identification Number
Email Address		Date of Birth	

### STEP 2 – SCHOOLS ATTENDED

Please list all colleges that you attended during the 2019-20, 2020-21, 2021-22 and 2022-23 academic years. Please attach an additional piece of paper if more space is needed and include your name and ID at the top of each page.

- **You must provide transcripts (unofficial or official) for any institution you attended and received Federal Pell Grant/or Federal Direct Loan that JCSU does not already have on file.** If any unofficial transcripts are unclear you will be required to provide official academic transcripts.
- Failure to report all colleges with attached transcripts will result in denial of your request for financial aid.
- If you did not earn any academic credits at a college where you received a Pell grant and/or Federal Direct Loans, please attach an explanation for your failure to earn credits along with any additional documentation (i.e. medical bills, hospitalization records, accident reports, military transfer etc.) that supports your explanation. Your application for financial aid will not be considered until you submit this completed form and all required documentation to our office.
