What is GBE?

Golden Bull Express is a one day early advising and registration opportunity for entering JCSU students. Future Smithites and their parents/guardians have an opportunity to receive assistance with the completion of the [9 Steps to Enrollment](#).

Golden Bull Express is designed to give additional guided support to students and their families as they navigate the enrollment and financial clearance process.

It is not mandatory for students to attend GBE. Early advising and registration can be done online at:

https://my.jcsu.edu/ICS/Admissions/Accepted_Students/Step_6_Advising.jnz

Purpose:

Representatives from the Offices of First-Year Experience, Student Leadership and Engagement, Financial Aid, Student Accounts, and Academic Advising will be available to assist students and their families each day. GBE also provides students an overview of academic programs and campus resources. Finally, students who attend GBE will have an opportunity to become familiar with the JCSU campus community during their visit.
